Learning Opportunity

Chris will spend the morning modeling strategies, resources and lessons for teachers for various outcomes of the Gr. 4-6 science curriculum. In the afternoon, teachers will have the opportunity for collaborative instructional planning with grade level colleagues.

Please note this learning opportunity does not include lunch.

Presenters

Chris Zarski

Chris is an Educational Consultant supporting Alberta teachers as a Designer of Professional Learning with the Alberta Provincial Learning Consortium (APLC). She has served as a Teacher, Administrator, Curriculum Director of Curriculum, Examiner with Alberta Education, and Author, Assessment & Pedagogical consultant on numerous resources. With 40+ years of experience and opportunities to amass a variety of resources and approaches to pedagogy and assessment, Chris continues to read and stay up-to-date with the current literature and research. "Deepening our students' learning begins with us as educators - having a deep understanding of our subject, and a toolbox full of strategies to pull out as

needed". Come join Chris as she helps fill that toolbox and challenges your thinking!
