### Learning Opportunity

Chris will spend the morning modeling strategies, resources and lessons for teachers for various outcomes of the Gr. 4-6 science curriculum. In the afternoon, teachers will have the opportunity for collaborative instructional planning with grade level colleagues.

*Please note this learning opportunity does not include lunch.*

### Presenters

#### Chris Zarski

Chris is an Educational Consultant supporting Alberta teachers as a Designer of Professional Learning with the Alberta Provincial Learning Consortium (APLC). She has served as a Teacher, Administrator, Curriculum Director of Curriculum, Examiner with Alberta Education, and Author, Assessment & Pedagogical consultant on numerous resources. With 40+ years of experience and opportunities to amass a variety of resources and approaches to pedagogy and assessment, Chris continues to read and stay up-to-date with the current literature and research. "Deepening our students' learning begins with us as educators - having a deep understanding of our subject, and a toolbox full of strategies to pull out as

needed". Come join Chris as she helps fill that toolbox and challenges your thinking!
