Learning Opportunity

Teachers will participate in instructional planning, assessment development and viewing resources with the new science curriculum. Though this is the second in a series of three sessions, new participants are welcome to join.

Please note this learning opportunity does not include lunch.

This Learning Opportunity may be offered by Zoom if the weather does not allow safe travel.

Presenters

Chris Zarski

Chris is an Educational Consultant supporting Alberta teachers as a Designer of Professional Learning with the Alberta Provincial Learning Consortium (APLC). She has served as a Teacher, Administrator, Curriculum Director of Curriculum, Examiner with Alberta Education, and Author, Assessment & Pedagogical consultant on numerous resources. With 40+ years of experience and opportunities to amass a variety of resources and approaches to pedagogy and assessment, Chris continues to read and stay up-to-date with the current literature and research. "Deepening our students' learning

begins with us as educators - having a deep understanding of our subject, and a toolbox full of strategies to pull out as needed". Come join Chris as she helps fill that toolbox and challenges your thinking!
