Program

Based on his book, Dr. Carney talks about research-based evidence, practical tools and ready-to-use strategies to help create a culture of positive mental health in classrooms. By working together, teachers and the larger educational community can make a difference to a student's mental health - not through expensive or specialized interventions but through compassion, inclusion, encouragement and effective instruction.

*You have the option to purchase a copy of Dr. Carney's book "Well Aware: Developing Resilient, Active and Flourishing Students" during your registration process. **You must order your book by February 18** if you wish to purchase one with your registration.*

Presenters

Dr. Patrick Carney

Dr. Carney is a Fellow of the Canadian Psychological Association. He is a passionate spokesperson and advocate for positive mental health for all students. In his new role as Chief Psychologist, with Simcoe Muskoka Catholic District School Board, Dr. Carney works with students, teachers and their parents to develop positive mental health using

many of the evidence based strategies outlined in his presentation/book.
