Program

SLA session would include an overview of the SLA components, reports and FAQs. Opportunity for Grade 2 and Grade 3 teachers to dig into their own student SLA data, interpret student results to inform their teaching practice and ongoing assessment. Time would be available to help support individual teachers and schools to deepen their understanding of SLA data and how to move forward.

You do not have had to administer the SLA previously to attend.

Participants will need to access the SLA materials on-line and have access to an Extra-net account. Please bring your device.
