Program

This session will begin with an overview of Combined Class teaching strategies, classroom management and instructional planning. Participants will then have an opportunity to work collaboratively with other teachers to create and share unit plans, develop assessments and share their experiences of combined class teaching.

There will be an opportunity for participants to share combined class teaching successes and challenges with the group and get feedback from session facilitators.

LUNCH IS NOT PROVIDED.

Presenters

Kimberly Frykas

Kimberly Frykas has been an educator for 25 years with experience in the secondary classroom (grades 7-12), as a School Administrator and currently at the division level as Director of System Planning for the Grande Prairie Public School Division. Her specialty areas include Evidence Based Planning, Collaborative Inquiry Based Professional

Learning, Middle Level Literacy, Assessment, and Instruction. Her experience in supporting planning at the school and division level, with a focus on evidence, has given her diverse experiences to share.

Angela DesBarres

Angela DesBarres has been an educator for 28 years with experience in the classroom, as a Teacher Librarian, Academic Support, School Administrator and currently at the district level as Director of Instruction K – 6 for the Grande Prairie Public School District. Her specialty areas include Literacy, Assessment and Instruction. Her passion is with supporting teachers with curriculum and instruction assisting them with supporting their student's achievement and success.

Bill Sheets

Bill has been an educator and administrator in schools in Northern Alberta for 24 years. He has taught at every level from grades 1 to 12, and has 20 plus years experience in a variety of schools in Peace River School Division. He is currently the Curriculum Facilitator for NRLC.
