**About the Session:**

The *Nonviolent Crisis Intervention*® training program is a safe, nonharmful behavior management system designed to help educators provide the best *Care, Welfare, Safety, and Security* of confrontational, disruptive, or potentially out-of-control students, even during their most violent moments.

This course now **consists of online and classroom components**. Online course instruction can typically be completed in 2-3 hours. The one-day classroom portion will follow successful completion of the online component.

Once registered for the NVC I FLEX training, you will receive an automated email containing a link that will allow you to access the online portion to be completed prior to the classroom portion.

The following aspects will be covered:

- The stages of escalation and the de-escalation techniques to use during each stage.
  - Nonverbal and verbal intervention strategies for managing disruptive behavior.
  - CPI's *Personal Safety Techniques* to maximize student and staff safety if the aggressive behavior becomes physical.
  - Understanding and development of team intervention strategies and techniques.
  - Demonstration and practice of safe physical control techniques to be used as a last resort if the out-of-control student becomes violent and a danger to self or others.
  - Instruction is provided in the debriefing and documentation that should take place after a crisis.
- 
- *Please dress in comfortable clothing as there will be a lot of moving around, learning physical movements, etc.*
  - *Please bring pens / pencils to classroom portion, to write with.*
  - *All participants must successfully complete online portion and attend for the full duration of the classroom instruction to become certified.*
  - *Note: Attendance limited to school district employees in Zone 1 (Northern districts).*

Lunch is NOT provided.
