Program

The PCS SLP department will be hosting a ½ day learning session on November 23.

Focus of the session: Participants will learn how to target communication goals in the context of center based play. Following the session, participants will feel more confident in their ability to target the students' goals throughout the classroom routine, not just in individual 'speech' times.

Who should attend: staff working with early learners, in a Preschool, Junior K or Kindergarten setting.

Where: Crystal Park School courtyard
