Program

This is a closed session for Peace Wapiti Public School Division staff and associated collaborative services employees.

This is specifically for the 3 Day Trained Mental Health Literacy Educators

The goal of this session is to 'refresh' the trainers that have taken the 3 day Mental Health Literacy Core Training and have already been a participant of the 1 day Go-To Educator Training. Participants will have the opportunity to:

- Review the one day content outline/timeline

- Ask relevant questions regarding presentation content and process
- Get advice from a seasoned presenter.
