### Program

Learn more about exciting features of Mathology Activity Kits, Little Books, and Mathology.ca.

- Through an assessment lens, explore lesson activities and connections to the curriculum.
- Ask questions and reflect on your students learning
- Receive a free 45day trial to Mathology.ca if you are not already a current user.
- Receive access to a recorded copy of the webinar

### Presenters

#### Renee Michaud

Renée Michaud is a mathematics consultant. She offers training in French and English in Western Canada and beyond. She also presents various sessions at several Alberta Teacher Conferences such as the MPTCA and ACPI. Previously, she worked as a Designer of Professional Learning for the Consortium provincial francophone (CPFPP) and the FrancoSud School Board for 11 years, after many years of teaching math in French immersion schools in Calgary.
