Presenters

Kurtis Hewson

Kurtis Hewson has been an award-winning teacher, vice-principal, and principal, as well as taught at the post-secondary level. With over a decade of experience as an administrator, Kurtis has championed the call for collaborative structures in schools to ensure success for all students. In addition to two finalist awards from Alberta Excellence in Teaching program and an Edwin Parr award recipient for excellence in his first year of teaching, Kurtis was an honouree for the ASCD Outstanding Young Educator Award in 2010. Kurtis is one of five Alberta principals featured in Reflecting on Leadership for Learning: Case Studies of Five Alberta Elementary School Principals, addressing exemplary leadership practices in elementary schools in Alberta. He is the co-founder of Jigsaw Learning, a co-author of the text Envisioning a Collaborative Response Model, and currently works with districts and schools nationally and internationally establishing Collaborative Response frameworks and interacting with thousands of educators annually.

Gerald Logan

Gerald Logan is a retired school principal that has been active in educational technology for many years. He is the "dreamer" who embraces all things technology. He has published articles about the use of mobile technology and its use as a learning tool. Gerald has been a Director of Educational Technology for a school system and has been seconded to Alberta Education to work in the field of technology.

Janet Bell

An English teacher originally, Janet's career evolved over the years from classroom consultant, co-leading edtech integration across the province as a member of the 2Learn.ca and ARPDC provincial teams, to school and district leadership as the Department Head at Lillian Osborne High School and TIPS (Technology Integration and Planning Supports) Consultant with Edmonton Public Schools. A Google Certified Trainer and SMART Certified Trainer, these days Janet brings both vision and practical strategies to help support your integration of G Suite and SMART Learning Suite, reputable third-party applications, makerspaces, digital citizenship and more, within today's emergent and shifting learning spaces. In her spare time, she enjoys the four generations of her family.
