About the Session:

This self-paced, asynchronous eCourse focuses on Gr. K-6 Math Intervention Support for the Nelson publication resources My Math Path, Math Pre-Assessment: Finding Your Student's Pathway and Leaps and Bounds toward Math Understanding.

The eCourse contains 4 Modules .

Each Module contains video instruction, a PDF handout and links to additional resources to support your learning.

Participants can start and stop each module whenever they like and can expect this course to take approximately 2 hours and 30min of total learning time.

About the Presenter(s):

Chris Zarski

Chris Zarski has been an educator for over 40 years, and has served as a teacher, principal, supervisor and director and Examiner for Alberta Education. Currently Chris is the Director of Instruction and Staff Development for STAR Catholic Schools. Chris has led numerous district wide initiatives, provided over 600 professional learning sessions, and co-authored/consulted on 18 mathematics resources. She is actively involved with the pedagogy of deeper learning, authentic assessment designs enhancing curriculum delivery and the integration of FNMI resources into all curriculums. Chris has her Master's degree from the University of Alberta focused on assessment and professional learning. Chris loves to learn and believes that all students have the ability to learn at high levels. She also believes that teachers have the best profession ever – enlightening new minds and sparking interest in learning! WOW!

Catering is not prepared in a nut/gluten-free environment.

Photography Release:

This is a public event with the likeliness of photo/video throughout the day. By attending, participants understand they may be captured in photo or video for future presentations or promotional material development. Please see conference hosts if you prefer to not be photographed.
