This self-paced, asynchronous eCourse focuses on Gr. K-6 Math Intervention Support for the Nelson publication resources My Math Path, Math Pre-Assessment: Finding Your Student's Pathway and Leaps and Bounds toward Math Understanding.

The eCourse contains 4 Modules . Each Module contains video instruction, a PDF handout and links to additional resources to support your learning. Participants can start and stop each module whenever they like and can expect this course to take approximately **2 hours and 30min of total learning time.**

Presenters

Chris Zarski

Chris is an Educational Consultant supporting Alberta teachers as a Designer of Professional Learning with the Alberta Provincial Learning Consortium (APLC). She has served as a Teacher, Administrator, Curriculum Director of Curriculum, Examiner with Alberta Education, and Author, Assessment & Pedagogical consultant on numerous resources. With 40+

years of experience and opportunities to amass a variety of resources and approaches to pedagogy and assessment, Chris continues to read and stay up-to-date with the current literature and research. "Deepening our students' learning begins with us as educators - having a deep understanding of our subject, and a toolbox full of strategies to pull out as needed". Come join Chris as she helps fill that toolbox and challenges your thinking!
